

TREASURY DEPARTMENT,

BUREAU OF THE MINT,

WASHINGTON, D. C., March 10, 1890.

The Superintendent, U. S. Mint,

Philadelphia, Pa.

Dear Colonel:

Replying to your note of to day, as to when I would be in Philadelphia, I would say that I had intended to come over at the opening of the bids for minor coin blanks, a week from to-morrow. If nothing happens to prevent I will come over Monday afternoon and spend Tuesday at the mint, and will afford Mr. Barber a sitting.

I wish to say that we are highly pleased with the Joseph Francis medal. I think it most beautifully executed, and Senator Evarts and the Secretary, and all who have seen it, concur in that opinion. The old gentleman, Mr. Francis, was in this morning and was much pleased with it. I wish you would express to Mr. Barber my appreciation of the excellent work done in his department in connection with the medal.

Please let me know what the cost of the bronze copies will be as I have numerous inquiries.

Very respectfully,

Director.
